## International Children's Games Coaches & Team Managers Info Sheet

Firstly, hope you are all looking forward to arriving in Coventry for the International Children's Games. We can't wait to welcome you to the City! Below is some useful information we have pulled together to help you through the weekend specifically on the swimming side.

### Friday 12<sup>th</sup> August

All teams have been allocated a training time slot and lane in which to swim in between 9.00-14.00. We have tried to balance the numbers so there is plenty of room for each team to swim. Please see at the end of this document the allocations. There is time allocated for arrival and any pre-pool you may wish to do and also time afterwards for post pool/stretching and departure. Odd lanes will swim anti-clockwise with even numbered lanes swimming clockwise.

### Technical Meeting

We will be present at the technical meeting at the University of Warwick to answer any specific questions you may have.

There will be marshals on the warm up so please follow their directions.

### Swimming entries/results

If you wish to see the entries we have received and what cities will be joining us then please follow this link <https://www.swimmingmeetresults.co.uk/ICG/> Currently the only thing live is the 'entries' under the 'services' section at the top left. You can also see which events are on what days. We will be running live results and start sheets will also be able to be viewed on here. If there are any changes to be made to any entries please notify us by 12pm Friday 12<sup>th</sup> August.

**Relay forms** – For those cities that have entered a mixed relay team on the Monday you will need to declare the swimmers taking part. This will be via a form which needs to be completed and submitted no later than 11.00 Monday 15<sup>th</sup> August. These will be made available to all teams entered.

**Announcements of Finals** – Only swimmers in the 'A' finals will be individually announced per lane. Swimmers in the 'B' finals will have no individual announcements. Swimmers for both 'A' and 'B' finals will parade out together.

**Call room** – This is being held in the sports hall, please make yourselves and your swimmers aware of how to get there and please ensure they are there in plenty of time. They will need to show their accreditation to the marshals to be accepted into the area. There will be a live projection of events onto the wall so swimmers can see where the meet has got to.
